

# Coaching Huddles

**Leadership Pathway** is pleased to announce open enrollment for coaching huddles for the 17-18 ministry year.

## What

Coaching huddles are custom monthly presentations by a ministry practitioner, followed by Q & A, and peer-learning of shared experiences. They last 60 minutes, delivered live by video teleconference. Coaching huddles are limited to ten individuals to ensure individual participation and follow up. There is some homework and follow through required. They happen July through June at the following times:

**2nd Tuesday at 2pm Central Time**

**3rd Thursday at 3pm Central Time**

Huddles are divided by age, time spent in ministry, leadership responsibilities, and roles, with a focus on those in their first three years of full time ministry. They are designed to help drive best practices of becoming a life long-learner.

## What Some are Saying:

*Not only have I gotten the chance to hear the stories of incredible ministry leaders all over the country, but i've also gotten a chance to brainstorm with them ways we can engage our culture, how I can "fit in" with my Executive Pastor and other bosses in ministry, and learn from the mistakes they've made with hopes to not repeat them.*

- Ian Rothel, Olathe Bible Church Middle School Pastor, Kansas City
